Discount offers provide access to discounted services and are not part of an insured plan or policy. Discount offers are rate-access offers and may be in addition to any plan benefits. Check any insurance benefits you have before using these discount offers, as those benefits may result in lower costs to you than using these discounts. Aetna makes no payment to the discount vendor. The member is responsible for the full cost of the discounted services. Aetna may receive a percentage of the fee paid to a discount vendor. See Evidence of Coverage for a complete description of plan benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by service area. Participating health care providers are independent contractors and are neither agents nor employees of Aetna. The availability of any particular provider cannot be guaranteed, and provider network composition is subject to change. Other Pharmacies/Physicians/Providers are available in our network. Aetna is part of the CVS Health® family of companies. Vendors offer Value-Added Items and Services (VAIS) at a discount that are not part of your plan's benefits. You will pay the full cost of discounted services not covered under your plan.
