CVS caremark™

Digital tools

Save time and money

Our digital tools help you find ways to save on medication and manage your prescriptions on your own time.

When you register for an online account or download our app, you can manage your medications from your desktop or mobile device — anytime, anywhere. Here's how our digital tools can help you every day.

Find a network pharmacy
Using a pharmacy that's covered by your plan can keep your costs low. Locate one that's convenient for you.

Check drug cost
Find out how much of the medication costs your plan pays and how much you pay. See if there are lower-cost options to help ensure you're getting the best value.

Refill fast
Request refills quickly and keep track of prescriptions for your family in one convenient place. See how close you are to meeting your deductible and out-of-pocket cost maximum anytime.

Stay in the loop
Sign up to get email or text messages about your prescriptions, ways you can save, status updates and more.
