3. Not sure where to go? **Call the Direct Bill Call Center** at 1-866-541-7100 or (785) 296-1715 (In Topeka) for assistance. Call center staffers are not able to provide coverage recommendations, but are able to put you in contact with plan vendors, help locate educational resources and complete enrollment forms over the phone.

4. **Contact Senior Health Insurance Counseling for Kansas (SHICK)** at 1-800-860-5260. SHICK is a free program that offers Kansans an opportunity to talk with trained, community volunteers and get answers to questions about Medicare and other insurance issues.
**Benefit Description:** The Benefit Description provides a detailed summary of the benefits and limitations of the plans of coverage. It also outlines member rights and processes for benefit questions, appeals and grievances. Benefit Descriptions may also include amendments to the benefit plans when any modifications are made to coverage.

**Coinsurance:** Once you meet your annual Deductible, you and the Plan share in the cost of covered medical expenses. This is called “Coinsurance.” When you visit Network providers, your Coinsurance is much less than if you visit Non Network providers. Coinsurance is considered an out-of-pocket cost, just like Copays.

**Copay:** A fixed amount you pay for a covered health care service (for example, a doctor’s visit). A Copay amount may vary by the type of covered health care service.

**Deductible:** A fixed dollar amount you must pay each calendar year before the plan begins reimbursing for eligible expenses. There are two types of deductibles:

- **Individual Deductible:** The Individual Deductible applies separately to each covered person in the family. When a person’s Deductible expenses reach the Individual Deductible amount, the person’s Deductible is met. The Plan then starts to pay benefits for that person at the appropriate Coinsurance percentage.

- **Family Deductible:** The Family Deductible applies to the family as a group. When the combined Deductible expenses of all family members reach the family Deductible, the family Deductible is met. The Plan then begins to pay benefits for all covered family members at the appropriate Coinsurance percentage.

**HDHP:** A “High Deductible Health Plan.”

**Medicare:** The Health Insurance for the Aged Act (Title XVIII of the Social Security Act Amendments of 1965, as amended now and in the future). The term Medicare includes any rules and regulations authorized by that Act and any law designed specifically to replace that Act.

**Medicare Part A:** The part of Medicare insurance that covers inpatient hospital stays, which consists of semi-private room and board, general nursing and miscellaneous services and supplies, care in a Skilled Nursing Facility, Hospice care and some home health care. It is sometimes referred to as Medicare hospital insurance.
Medicare Part B: The part of Medicare insurance that covers inpatient or outpatient physician’s services, outpatient hospital care, medical supplies and preventive services.

Medicare Part D: The part of Medicare that covers most outpatient prescription drugs.

Medicare Supplement: Medicare Supplement Insurance exists to help fill the gaps that Medicare approves but does not pay.

Network: The providers who have agreed to participate with the medical, dental or vision plans to accept the allowed amount as payment in full, less any Deductibles, Copays or Coinsurance. Your plans will pay a greater percentage of the cost when you use Network providers.

Non Network: Providers who have NOT agreed to contract with the medical, dental or vision plans to accept the allowed amount. You will typically pay more in Out-of-Pocket expenses to use Non Network providers, compared to Network providers.

Open Enrollment: The period of time when you may review, and enroll or waive benefits available to you through the State Employee Health Plan (SEHP). Typically, the Open Enrollment Period is in October/November each year.

Out of Pocket Maximum (OOP): The most an employee could pay during the Plan Year for his/her share of the costs for covered services, including Copays, Coinsurance and Deductible. OOP does not include costs for services not covered by the plan, over-the-counter medications or amounts over the allowable amount charged by Non Network providers.

Plan Year: The coverage period to accumulate your share of covered expenses toward your Out-of-Pocket limit. The State Employee Health Plan (SEHP) Plan Year is January 1st thru December 31st of each year.

Premium: A premium is the contribution or share you pay to have insurance. Your premiums are paid on a monthly basis. The amount of your premium depends on the plan you elect, and whether you choose individual or family coverage.

Qualifying Event: A recognized family status change such as marriage, divorce, birth or adoption of a dependent, death of a spouse or dependent, gain or loss of employment and/or benefits for a spouse or dependent. A Qualifying Event enables you to make a coverage change during the middle of a Plan Year, provided the change is consistent with the family status change, and the request for the change is made within 31 days of the event.

Summary of Benefits & Coverage (SBC): The SBC is a more detailed document than this enrollment book that shows how you and the plan would share the cost for covered health care services. For the complete terms of each medical plan, please reference the Benefit Description document on the SEHP website under the corresponding plan.

PLAN A
TRADITIONAL PPO PLAN

Plan A is a traditional PPO plan, also known as a Preferred Provider Organization (PPO). This type of health plan contracts with medical providers, such as hospitals and doctors, to create a Network of participating providers. You pay less if you use providers that belong to the plan’s Network; however, you may still use Non Network doctors, hospitals, and providers for an additional cost.

HOW IT WORKS

Physician Care Visits when using a Network provider under Plan A are subject to the corresponding Copay. Eligible Preventive Care Services are covered at 100% when received by a Network Provider.

Non Network physician visits and services are first paid by the member until their Deductible is met. Once the Deductible is met, the Plan shares the cost of covered services with the member (Coinsurance). As Non Network Providers have not agreed to accept the plan’s allowed charge, you may also be responsible for the difference between the plan’s allowance and the provider’s actual charge for services. Once the member reaches their designated Out-of-Pocket Maximum (OOP), the Plan pays covered services at 100% of the Plan’s allowed charge.

Members on Plan A share the cost of Prescription Drugs with the Plan through Coinsurance. Pharmacy expenses are not applied to the Plan A medical Deductible. The Coinsurance does apply to your OOP maximum.

Your Copays, Deductible and Coinsurance apply until the OOP is met. The Network and Non Network Deductibles, Coinsurance and OOP accumulate separately.

## PLANS C and N - (HDHP)

### HIGH DEDUCTIBLE HEALTH PLANS PLANS

HDHPs are plans with a higher Deductible than a traditional insurance plan. The monthly premium is usually lower, but you pay more health care costs yourself (your Deductible) before the plan starts to pay its share.

### HOW IT WORKS

Services received under Plans C & N are paid by the member until the Deductible is met. Once the Deductible is met, the plan will share costs with the member (Coinsurance) until the Out-of-Pocket Maximum (OOP) is met. Once a member meets the OOP, the plan pays for covered services at 100%. Eligible Preventive Care Services are covered at 100% when received by a Network Provider. The Network and Non Network Deductible, Coinsurance and OOP accumulate separately.

When you elect medical coverage, you automatically receive prescription drug coverage through CVS Caremark. The cost is included in the health plan rates. While the Preferred Drug List (PDL) is the same for all plans, the amount you pay varies depending on your selected plan.

Once you set up an account at www.caremark.com, you can find the PDL from your personal portal under the “Plan and Benefits” tab. From there, you can also access the “Check Drug Cost” tool to determine if your prescription drug is covered and what it will cost under your plan. If you’re not currently enrolled in the State Employee Health Plan, you can access the “Check Drug Cost” tool for the plans on the SEHP website here: https://healthbenefitsprogram.ks.gov. If you need additional assistance regarding your prescription drugs, contact CVS/Caremark directly by calling 800-294-6324.

Home delivery is available through CVS Caremark. To place an initial order or reorder by phone, call 800-294-6324 or order online at www.caremark.com.

Specialty and biotech drugs are available exclusively through the CVS Caremark Specialty Pharmacy. A complete list of Specialty Drugs is available at https://healthbenefitsprogram.ks.gov. Contact CVS Caremark Specialty Pharmacy at 800-237-2767. A CVS Caremark representative will coordinate patient care with the provider and medication delivery.

YOUR DENTAL PLAN: DELTA DENTAL PPO™

The SEHP offers dental benefits through Delta Dental Plan of Kansas. There is a single plan with multiple levels of coverage. The Enhanced level of coverage applies when you have received at least one dental exam or cleaning in the prior 12 months. The Basic level of coverage applies when you have not received at least one dental exam or cleaning in the prior 12 months. New enrollees in the dental plan automatically receive the enhanced level for their first 12 months of coverage.

Both of Delta Dental’s nationwide Networks, Delta Dental PPO and Delta Dental Premier, are included in your plan; however, you will receive higher benefit levels when using the Delta Dental PPO Network. You may also go to a Non Network provider and receive coverage similar to the Delta Dental Premier Network; however, any amounts in excess of Delta Dental’s established fee for service are the member’s responsibility.

The following chart provides the percentage of costs paid by the plan under each Network as well as Non Network providers.

You must be enrolled in Medicare Part A and Part B and continue to pay your Part B premium. You do not need to buy additional supplemental Medicare coverage.

These Medicare Advantage plans are offered by Aetna Medicare and come with Aetna Standard Part D prescription drug coverage as well as additional health and wellness benefits. You do not need to enroll in a separate Part D insurance.

No referral is required and the Aetna PPO plans include an extended service area (ESA) giving you the flexibility to see any medical provider, in or out of network, at the same cost, according to the costs listed on your plan benefits summary. They just have to be licensed, eligible to receive Medicare payments and willing to accept your plan. You do not need to buy additional supplemental Medicare coverage. For more plan details, visit http://stateofkansas.aetnamedicare.com or contact Aetna Customer Service at 844-233-1939.

Beginning on page 30, you can review the monthly premiums, out-of-pocket maximums and covered services (ie. Hospital Stays, Office Visit Co-pays and the drug plan).

Extra Benefits for Aetna Medicare Advantage Members include:

- Hearing Aid Reimbursement
- Meal Home Delivery
- Teladoc
- Aetna Discount Program
- Routine Eye Exam
- Transportation
- Telehealth
- Silver Sneakers Fitness Program
- Healthy Home Visits
- Resources for Living

All Aetna Medicare Advantage plans include the SilverSneakers Program. This benefit provides unlimited access to participating fitness centers anywhere in the country at no extra charge. For more information about SilverSneakers, visit www.silversneakers.com.

NOTE: Enrollment in another Medicare Part D through the private market is not allowed with any of the Aetna Medicare PPO ESA options and will cause Medicate to cancel your Medicare Advantage Plan and drug coverage through the SEHP.

Medicare Supplement Plans

BLUE CROSS & BLUE SHIELD OF KANSAS
KANSAS SENIOR PLANS

The Kansas Senior Plans are part of the 10 standardized Medicare Supplement Insurance. They have the same medical benefits as any other Medicare Supplement Insurance. Medicare Supplement Insurance exists to help fill the gaps that Medicare approves but does not pay. Unlike individual medigap policies such as Plan 65, the Kansas Senior Plans are group rated rather than individually age rated. The Kansas Senior Plans offer optional prescription drug, dental and vision benefits while most individual policies offer only medical benefits. The retiree and any Medicare Eligible Dependents must be enrolled in Medicare Part A and Medicare Part B.

Available Kansas Senior Plans include: Plans C, C Select, G, G Select, and N. These plans are administered by Blue Cross Blue Shield of Kansas and are designed to lower costs for Medicare eligible Direct Bill members, spouses and/or dependents. Senior Plans C and C Select are only available to members that became Medicare eligible before 2020.

To be eligible to enroll in one of the Select plans, you must live in one of these counties: Atchison, Brown, Butler, Chase, Chautauqua, Clay, Cowley, Doniphan, Douglas, Elk, Greenwood, Harper, Harvey, Jackson, Jefferson, Kingman, Leavenworth, Marion, Marshall, Osage, Pottawatomie, Pratt, Reno, Riley, Sedgwick, Shawnee, Sumner, Wabaunsee or Washington.

MAXIMIZE YOUR COVERAGE

To maximize your coverage, utilize providers who accept Medicare assignment. These providers agree to accept the Medicare allowance as payment in full.

To obtain full benefits with the Kansas Senior Select Plans, you must use network hospitals for your planned hospitalization services.

Important Note: If Medicare does not cover a service, there is no benefit under the medical portion of the Kansas Senior Plans.
PART D COVERAGE
Members that enroll in one of the Kansas Senior Plans can choose to enroll in one of the SilverScript Part D prescription drug plans, or they can purchase Part D prescription drug coverage on the Private Market. The Kansas Senior Plans are the only plans offered that allow the member to elect Part D coverage from the Private Market.

TRAVEL WITH CONFIDENCE
Travel with confidence because Kansas Senior Plans C, G and N coverages are accepted by doctors and hospitals everywhere in the United States so you’ll have access to care if you need it. Foreign travel emergencies are also covered with some limitations.

DENTAL COVERAGE
Members may elect any of the Kansas Senior Plans with or without Delta Dental coverage; however, once a member opts out of Dental coverage, the member will not be able to re-enroll in Dental coverage at a later date. See page 22 for more information.

VISION COVERAGE
Members with any of the Kansas Senior Plans may elect to participate in Vision coverage with Avēsis. See page 24 for more information.

**Coverage Gap**

The Coverage Gap starts once covered Medicare prescription drug expenses have reached the Initial Coverage Limit. Your cost-sharing for covered Part D drugs after the Initial Coverage Limit and until you reach $7,400 in prescription drug expenses is indicated below.

**Coverage Gap**

Your former employer/union/trust provides additional coverage during the Coverage Gap stage for covered drugs. You will generally continue to pay the same amount for covered drugs as you paid in the Initial Coverage stage, but you may pay less for some drugs due to Medicare requirements. Coinsurance-based cost-sharing is applied against the overall cost of the drug, prior to the application of any discounts or benefits.

**Catastrophic Coverage**

Benefits start once $7,400 in true out-of-pocket costs is incurred. Greater of 5% of the cost of the drug - or - $4.15 for a generic drug or a drug that is treated like a generic and $10.35 for all other drugs.
