

Better manage your health

Get access to your test results
from all your digital devices.

Accessing your test results has never been easier.

Visit QuestDiagnostics.com/MyQuest to sign up for an account.

It's now all at your fingertips with MyQuest™ patient portal and mobile app. On your computer, tablet or smartphone, you can:

- **Get** easy-to-understand lab results delivered directly to you
- **Schedule** lab testing at a time convenient for you
- **Share** your health information with your healthcare providers
- **Organize** your health information in one convenient place
- **Schedule and receive** medication reminders

Some features only available via the mobile app.
