January 1, 2027-November 12, 2027

HealthQuest

***Credits must be displayed in the portal on or before HRA/HSA deadline**

Start Here!

Create your Account:

Visit the HealthQuest Portal: *HealthQuest.ks.gov* to register in the portal.

1. Click **New? Select "Register My Account".**
2. Fill in **Identification information.**
3. You'll receive a **Confirmation Email** to complete the registration and log in.

Tip: Once benefits through the State Employee Health Plan are elected and processed, employees may then register for their HealthQuest account.

Earn Credits & Participate in Activities:

Pave your personal wellness journey. All activities are voluntary, so choose the activities that best fit your goals. Activities include, but are not limited to:

- Complete an **annual physical with labs** and get to know your numbers.
- Schedule a **preventive screening appointment** (dental visit, eye exam, skin cancer screenings and more) to keep on top of your health.
- Participate in **health management activities, statewide challenges, monthly webinars**, and more!

Earn Your Rewards!

Once you have earned **40 credits**, you will receive the **$480 premium incentive discount!** New members start earning their premium incentive discount on their next 1-2 pay periods after earning the credits.

Are you a Plan C, J, or N member?
Earn **40 credits** by **November 12, 2027** to also receive a **$500 HRA/HSA contribution!**

Questions? Please contact the Patient Support Team at **785-783-4080 (TRS: Dial 711)** or **HealthQuest@Marathon.Health**. For HRA/HSA questions, please contact **SEHPHealthQuest@ks.gov**.

2027 HealthQuest Rewards Program Details

The HealthQuest Rewards Program is a **wellness incentive program** offered by the **State Employee Health Plan (SEHP)** that promotes health and wellness through rewards and information. Participants who complete activities that promote physical, mental and emotional health and wellness **earn credits** towards their medical insurance premium incentive discounts and Health Reimbursement Account (HRA)/Health Savings Account (HSA) reward dollars for participants in **Plans C, J and N**.

Each person's path to well-being is unique and personal. HealthQuest is designed to offer all participants the opportunity to access the activities and resources offered through this program. As part of that accessibility, if a participant feels unable to access or participate in an activity or resource due to personal limitations, they may request reasonable alternatives to earn their HealthQuest credits and continue their personal path to wellness. Reasonable alternatives may be requested by contacting us at ***SEHPHealthQuest@ks.gov***.

Plan A

All employees enrolled in medical Plan A, regardless of length of employment, who earn 40 credits will receive a $480 premium incentive discount for Plan Year 2028. This incentive opportunity is for employees' medical plan premium only.

As a new employee, you have 365 days from the date that your benefits become effective to earn 40 total credits and receive the premium incentive discount. After you meet the program requirements, you will see the discount moving forward.

Please note: If you have not met your goal of 40 total credits and you are still in your first 365 days, the credits that you have earned will carry over to the next program year.

After your first 365 days, you will follow the same guidelines as all employees. This means you will have until December 31 each year to earn the premium incentive discount for the following calendar year.

Questions? Please contact the Patient Support Team at **785-783-4080 (TRS: Dial 711)** or **HealthQuest@Marathon.Health**. For HRA/HSA questions, please contact **SEHPHealthQuest@ks.gov**.
