### How it Works

- 1** RxSS pharmacists find **equally effective, affordable medications** covered by your insurance.
- 2** Your **online account shows any lower-cost prescriptions** available and lets you compare prices.
- 3** **Switch to a more affordable option with ease.** We'll get your doctor's approval and work with your pharmacy to get it done for you.
- 4** **We'll contact you** anytime you can save on prescriptions.

# Your account is ready to go.

## How Can You Save?

We find all the medication options for your conditions. You and your doctor decide what's best for your health and budget. Here are just a few ways you might be able to save money:

- Generic forms of name-brand drugs
- Better prices through different pharmacies or mail-order
- Equally effective medications that cost less than your current prescription
