## **Get Coverage Wherever You Go!**

More than 65,000 pharmacies nationwide make up the pharmacy network. These include retail, mail service, long-term care, home infusion, and Indian Health and Indian Tribal pharmacies. You must use a network pharmacy in order to receive full benefit coverage on your prescriptions. If you need a prescription before you receive your *Pharmacy Directory*, just call your pharmacy to make sure they are in our network. If your pharmacy is not in our network, please contact Customer Care at the number below, we are always happy to help.

## **Savings. Safety. Service.**

We are committed to helping you get the most out of your SilverScript plan—and that means providing you with information that will save you money on your prescription drugs.

## **Benefits of getting your prescriptions from the plan's mail service pharmacy.**

- Enjoy the ease of having a prescription delivered to the location of your choice – home, office, etc.
- Greater convenience with mail service of a 90-day supply of medication – including free standard shipping available anywhere in the U.S.<sup>1</sup>
- A toll-free hotline to speak with a registered pharmacist about any questions or concerns you may have.
- Online and refill-by-phone services to order your prescription refills 24 hours a day, 7 days per week.

Your satisfaction is important to us. If you have any questions about your SilverScript prescription drug benefit, please call Customer Care at 1-866-541-7100, 24 hours a day, 7 days a week. TTY users should call 711.

## **You can receive your Explanation of Benefits (EOB) Online!**

Opt in to go paperless and you will receive an email when your new statement is ready to view, instead of receiving a paper copy in the mail.

- View up to 36 months of your EOBs, organized by date in one location
- Reduce clutter by downloading and printing only the statements you need
- Keep your prescription information secure – no shredding necessary

To get started, visit [Caremark.com](http://Caremark.com) to register and set your account profile preferences to paperless EOB's. You can opt out at any time.

If you have dual coverage and have questions as to how Medicare Part D coordinates with other benefits contact Customer Care.

<sup>1</sup>The typical number of business days after the mail order pharmacy receives an order to receive your shipment is up to 10 days. Enrollees have the option to sign up for automated mail order delivery.

The Formulary and/or Pharmacy network may change at any time. You will receive notice when necessary.

Your privacy is important to us. SilverScript employees are trained regarding the appropriate way to handle your private health information.

SilverScript Insurance Company complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex.
